

The Lexicon Art & Round Table India

Presents

ART FROM HEART 2.0

A CHARITY SHOW

The Lexicon Art is pleased to organise and present 'Art from Heart 2.0', a charity art event in association with Round Table India.

The exhibition aims at representing the diverse and rich cultural heritage of India while raising funds to support the multiple community service activities being carried across India by Round Table India. This is the second in series, the first being held online in April 2020 to raise funds for covid victims and their families. Its heartening to witness the art community coming together for such noble initiatives. We are looking forward to continuing with this annual event.

On display are over 100 artworks by 32 artists at special prices. I would like to thank Swati Pasari for co-curating this beautiful show.

Dear Friends,

I am Tabler Manish Lakhotia, currently serving Round Table India, as the National President for the year 2022-2023. Round Table India is an organization with over 5000 members aged between 18-40 years and has always made substantial contributions during any calamity, natural disaster or a social cause.

During the last decade, we have built one classroom a day, every day! Under the Freedom through Education program we have built 3347 projects, 7890 classrooms helping 8.6 million less privileged children build their dreams.

We undertake various events where we raise funds to continue our dream and long term project of building schools for the lesser privileged. One such initiative is 'Art from Heart' an Art fundraiser where in with every Art sold, a substantial proceeds will be directed towards building classrooms for the Dr. Ritesh Bansal Memorial School.

The event is being hosted in association with The Lexicon Art gallery which is a premium gallery based out of New Delhi and a regular feature in the calendar of art aficionados throughout the country. The event has a wide circulation within the HNI community across India with access to the top art collectors in the country.

We request for your support in this initiative to contribute towards building classrooms for Tabler Late Dr. Ritesh Bansal Memorial School.
